THE STATE OF NEW HAMPSHIRE
TOWN OF HINSDALE

TOWN WARRANT

To the inhabitants of the Town of Hinsdale qualified to vote in
Town Affairs:

You are hereby notified to meet at the Town Hall on Tuesday the
14th day of March, 1989 at 10:00 o'clock in the forenoon to act on
the following subjects:

- Article 1 To cast your ballot for all necessary Town Officers.
- Article 2 To see if the provisions of Chapter 287-E of the
revised law relative to playing games of beano and
the sale of Lucky 7 tickets shall be adopted at this
time.
- Article 3 Are you in favor of the adoption of Amendment Number
1 as proposed by the planning board for the town
zoning ordinance as follows: The rewording of several
paragraphs for clearer understanding?
- Article 4 Are you in favor of the adoption of Amendment Number
2 as proposed by the planning board for the town
zoning ordinance as follows: Rewrite Article VIII to
exclude new manufactured housing parks and the
expansion of manufactured housing parks? Article
VIII now will pertain to existing manufactured
housing parks.
- Article 5 Are you in favor of the adoption by reference of the
Life Safety Code, NFPA Document Number 101, 1976
edition as amended?

Polls open on the above articles at 10:00 a.m. and shall not be
closed earlier than 7:00 p.m.

The following part of the Town Meeting will be adjourned until
Monday, March 20, 1989, at 7:30 p.m. in the gymnasium of the
Hinsdale High School.

- Article 6 To see if the Town will vote to raise and appropriate
the sum of \$175,000.00 (One-hundred and seventy-five
thousand dollars) for the purpose of extending the
Town water line 5,000 ft. on Monument Road, from Oak

Art. 6 Cont. Hill Road to Plain Road, passing the industrial zone, or act in any manner thereon and to authorize the Selectmen to borrow a sum not to exceed \$175,000.00 on the credit of the Town and to issue and sell notes and bonds in the name of and on the credit of the Town and under and in accordance with the Municipal Finance Act of the State of New Hampshire and any amendments relating thereto, and to authorize the Selectmen to fix the time and place of said principal amount of each note or bond and to take such action with respect thereto as may be necessary or advisable. This bonding authority is granted contingent upon there being a specific proposal for an industrial use which has obtained all necessary national, state and local approvals and which is prepared to begin construction in the service area of this line but which cannot proceed without a guarantee of Town water.
Inserted by Selectmen. Recommended by Budget Comm.

Article 7 To see if the Town will vote to raise and appropriate the sum of \$140,000.00 (One-hundred and forty thousand dollars) to repair two miles of Oxbow Road, starting at Monument Road, or act in any manner thereon, and to authorize the Selectmen to borrow a sum not to exceed \$140,000.00 on the credit of the Town and to issue and sell notes and bonds in the name of and on the credit of the Town and under and in accordance with the Municipal Finance Act of the State of New Hampshire and any amendments relating thereto, and to authorize the Selectmen to fix the time and place of said principal amount of each note or bond and to take such action with respect thereto as may be necessary or advisable.

AUDITORS' OPINION

Board of Selectmen
Town of Hinsdale, New Hampshire

We have examined the general purpose financial statements of the Town of Hinsdale, New Hampshire for the year ended December 31, 1987, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described more fully in Note 1, the general purpose financial statements referred to above do not include financial statements of the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be included in the General Fixed Assets Account Group is not known.

As described more fully in Note 4, prior to January 1, 1980 the Town did not record the cost of its utility plant in service and the related accumulated depreciation, contributions in aid of construction, and long-term debt in the financial statements of the Sewer Enterprise Fund. In our opinion, generally accepted accounting principles require that such elements be included in the financial statements.

As described in Note 1, the Town has recognized property tax revenues in its General and Property Tax Funds which may not meet the sixty day received in cash requirements of the Governmental Accounting Standards Board. Town officials believe, and we concur, that the application of this accounting principle which would reduce general fund balance by an amount which is indeterminable due to the timing of this engagement would give a misleading impression of the Town's ability to meet its current and future obligations.

In our opinion, except for the effects of the matters described in the third paragraph and that the omission of the financial statements described in the second paragraph results in an incomplete presentation, the general purpose financial

statements referred to above present fairly the financial position of each of the fund types and account groups of the Town of Hinsdale, New Hampshire at December 31, 1987 and the results of operations and changes in financial position of its proprietary fund types for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with the preceding period.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental schedules are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Hinsdale, New Hampshire. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

REPORT OF THE PUBLIC LIBRARY 1988

This was a year of ups and downs for the library.

The summer reading program for the children in town was redesigned to encourage more frequent use of the library with reading a pleasurable experience not a competitive activity. The number of children who registered was up, the number of books taken out was down.

Trust fund monies were down but the town support was up so we were fortunate to be able to continue purchasing the best in fiction and non-fiction based on the interests of our patrons.

When the Historical Society moved to new quarters (up) the long stored collection in the basement surfaced. These will need cleaning and weeding and will be in the same room now shared with the Civil Defense.

The library was enjoying an exchange of books from the Keene Library but a change in their rules caused us to discontinue the practice. We are however now receiving monthly shipments of large print books from the Dept. of the Handicapped in Concord.

Another service to the community is that of having Federal Tax Forms.

We have enjoyed working with the Town of Hinsdales people another year. Come in to see us its your library.

POLICE DEPARTMENT ANNUAL REPORT

I would first like to say thank you to the citizens of Hinsdale for the very warm welcome as your Police Chief since I arrived in May of 1988. It has been both an enjoyable and pleasurable experience. Like any other town it is always a big change whenever a new Chief comes on board.

Secondly, I would like to say that the Town of Hinsdale is indeed blessed by having conscientious and dedicated first class Police Officers in its ranks.

We have undergone many changes within the Police Department since May. These changes will make a difference in the Department's flow of day to day work.

Quite simply, our goal for the coming years will be to make Hinsdale a safe place to live, work and raise our children.

I would like to take this opportunity to extend my thanks and appreciation to the Board of Selectmen for making me their choice as Police Chief allowing me to serve the community.

Respectfully submitted,

Clayton W. Grover, Jr.
Chief of Police

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

HINSDALE BOARD OF ADJUSTMENT

ANNUAL REPORT FOR 1988

The Hinsdale Board of Adjustment held six public hearings this year on variance request. Four variances were granted and two were denied.

The board meets the first Tuesday of the month if a hearing is scheduled.

Respectfully submitted,

Donna P. Marshall, Secretary

HINSDALE PLANNING BOARD

ANNUAL REPORT FOR 1988

This has been a very busy year for the Hinsdale Planning Board with each monthly meeting having a full agenda. Several public hearings were held on subdivision, boundary adjustment and site plan review applications. Twenty new building lots were created from the approved subdivision plats.

The board met with representatives of Southwest Region Planning Commission to work on the Transportation Improvement Program which will be a section of the Master Plan.

The board scheduled additional meetings to work on proposed zoning ordinance amendments and held the required public hearings. The articles will be on the 1989 official ballot.

The planning board has requested the Board of Selectmen to include an article in the 1989 town warrant appropriating a \$3,500.00 salary for a planning consultant. This consultant will help the board with the Master Plan as well as review and schedule all applications.

The board would like to thank Administrative Assistant, Dean Shankle, for his assistance this year.

The board meets the third Tuesday of each month at 7:00 p.m. in the community room of the Town Hall.

Respectfully submitted,

Donna P. Marshall, Secretary
